About Epoch Batteries

At Epoch Batteries, we are proud to be at the forefront of energy innovation, providing cutting-edge lithium battery solutions tailored for a variety of applications including marine, golf carts, recreational vehicles (RVs), and home energy storage systems. As a veteran-owned, American company, we embody the values of integrity, reliability, and excellence.

Superior Quality

As an American company, we take great pride in our commitment to quality craftsmanship and superior performance. Each battery in our lineup is meticulously designed and rigorously tested to meet the highest standards of durability, reliability, and efficiency. From the marine environment to the golf course, from the road to your home, you can trust Epoch Batteries to deliver the power you need, when you need it most.

Veteran-Owned

At Epoch Batteries, we are honored to be a veteran-owned company. Our military experience has instilled in us a dedication to integrity, discipline, and service, values that we carry with us in everything we do. When you choose Epoch Batteries, you're not just getting top-of-the-line products – you're supporting a company that's proud to give back to those who have served our country.

Product Segments

Explore our diverse range of battery solutions, tailored to meet the unique needs of marine enthusiasts, golf cart aficionados, RV adventurers, and homeowners seeking reliable energy storage solutions. Our lithium batteries are engineered to deliver exceptional performance and longevity, so you can focus on enjoying your experiences without worrying about power interruptions.

Marine Batteries: Designed to withstand the rigors of the open water, our marine batteries provide reliable power for your boat, yacht, or other watercraft, ensuring smooth sailing every time.

Golf Cart Batteries: Keep your golf cart running smoothly with our high-performance lithium batteries, designed to deliver long-lasting power and performance on the course.

RV Batteries: Hit the road with confidence knowing that your RV is equipped with Epoch Batteries. Our RV lithium batteries offer reliable energy storage for all your adventures, whether you're camping in the wilderness or cruising down the highway.

Home Energy Storage: Take control of your energy usage with our home energy storage solutions. Our lithium batteries are designed to store excess energy from renewable sources like solar panels, giving you the flexibility to power your home on your terms.
